

8th June 2026

Dear Parent/Carer,

As we approach the final two weeks of the GCSE examination period, I would like to take this opportunity to thank you for your continued support.

Year 11 students have risen impressively to the challenge and have demonstrated the maturity and resilience we are so proud of. With the finish line now in sight, your encouragement remains as important as ever. That final bit of revision or a good night's sleep really can make the difference in helping students achieve their very best.

As more subjects complete their final examinations, there will be some adjustments to the school day. From this week, there will be occasions where students may be allowed to leave early following certain exams. A day-by-day overview is provided below for your reference.

In some cases, only part of the year group will be dismissed, as we will continue to offer additional revision sessions for students who still have remaining exams. These sessions are led by subject specialists, and we strongly encourage your child to take advantage of these valuable opportunities.
