Dear Parent/Carer,

Royal Society of Chemistry – Christmas Lecture 2025

We are delighted to offer your child the opportunity to attend a trip to Bolton School to attend a Christmas 'Flash Bang' lecture hosted by the Royal Society of Chemistry (RSC). The emphasis is on instilling a sense of excitement and wonder, but the fast-paced demonstrations are linked with a commentary that delivers useful illustration of a range of points from the curriculum such as solids, liquids, gases, combustion, respiration and periodicity.
