

21<sup>st</sup> May 2026

Dear Parents and Carers,

I would like to take this opportunity to remind you that Year 11 students at Stockport Academy are *not* on study leave. We have put in place a comprehensive, structured programme of revision sessions to support students in preparing for their remaining examinations.

These sessions provide access to a team of highly experienced and specialist teachers who have a strong track record of positively impacting student outcomes. Historically, these targeted “booster” sessions during the exam period have proven to be particularly effective in helping students secure their best possible results.

Students who do not attend these sessions place themselves at a significant disadvantage. After the sustained effort and commitment they have shown throughout the year, it would be disappointing for them not to benefit from this final stage of structured support.

Please also be reminded that if students are collected during the school day without appropriate medical evidence, their absence will be recorded as unauthorised. In line with Stockport Local Authority policy, unauthorised absences, including those for Year 11 students, may result in a fine being issued to parents or carers.

We would also like to remind you that unauthorised absence will impact student college references and eligibility to attend leavers celebrations including the prom and leavers assembly.

As we approach the end of their time with us, our Year 11 students have a limited number of school days remaining. We ask for your full support in ensuring they make the most of every opportunity available to them and maximise the benefit of their remaining time before moving on to the next stage of their education.

Thank you for your continued support.

Yours sincerely,

Janine McCann
