Dear Parent/Carer,

Year 11 Post-16 Discussions

As part of our careers curriculum your child will be having a one hour 1-1 discussion with our careers advisor between now and April. The aim of this discussion is for them to find out more about what they would like to do after leaving school, discuss colleges/sixth form providers, discuss potential careers, what is needed to get there and where is best suited to undertake this course.

We hope these discussions help each student with making decisions about their future and answer any questions they may have about applying for college courses. Each student will have an action plan from the discussion which you will also be able to access via Arbor.

If you have any further questions or would like to know more, please do not hesitate to contact me on the school number.

Yours sincerely,

J Thandi

Mrs Thandi
