

December 2024

Dear Parents and Carers,

We hope this message finds you well. As your child prepares for their next steps in education, we understand that the college, sixth form and apprenticeship application process can be both exciting and overwhelming. To support you and your child through this journey, The Manchester College are hosting an **online Microsoft Teams meeting** where they will provide guidance on the application process, key deadlines, and helpful tips for success.

The Manchester College will cover the below:

- Understanding the application process
- Key deadlines to be aware of
- How to help your child choose the right path for their future
- Tips for writing personal statements and preparing for interviews
- Answering any questions you may have

We encourage all parents and carers to attend this important session to ensure that you and your child feel well-supported throughout this process.

We look forward to seeing you there!

Best regards,

K Stirling

Miss Stirling
