

09 October 2023

Dear Parent/Carer,

As you may be aware, your child has now been allocated their house. This year they will work hard to gain house points and hopefully contribute positively to their houses' success.

Each term, pupils have the opportunity to achieve their Bronze, Silver and Gold charter rewards. There is very clear criteria in order to achieve each reward and this charter can also be found in students' planners. Please discuss the criteria with your child and encourage them to achieve one of these prestigious rewards.

Stockport Academy Student Charter
