## **Food**

Students should bring their own packed lunch and drinks for the day. Students who are eligible for Free School Meals will be provided with a grab bag.

## **Medical/Dietary Needs**

We will use the information previously provided on the school's Arbor system in relation to medical conditions or dietary requirements so please check the Arbor app to ensure that these are up to date, along with any contact telephone numbers in case we should need to contact you during the trip.

Students requiring an inhaler or emergency rescue medication such as EpiPens should ensure that they bring their own medication and carry it with them at all times.

No other medication can be carried by students. If any medication is likely to be needed during the trip, this should be handed to the trip leader, in the original, named box with a completed medical consent form which can be collected from reception or Mr Farquhar should you need one.

## **Other information**

We hope that your child will embrace the opportunity to join us on this trip. Should you have any queries, please contact the trip leader by email: [chris.lewis@stockport-academy.org](mailto:chris.lewis@stockport-academy.org).

Yours faithfully,

*CD Lewis*
