

22 May 2024

Dear Parent/Carer,

**Physics Olympics 2023/24, Bolton School**

Your child has been given the opportunity to take part in the Physics Olympics at Bolton School on Thursday 27<sup>th</sup> June 2024. As your child has chosen Triple Science this visit will enhance the subject content in GCSE Physics and also build on their team working, problem solving and analysis skills. This trip will leave Stockport Academy at approximately 8.30am and return at approximately 4.30pm.

Students should wear full school uniform and lunch will be provided by Bolton School. We will use previously provided details of any food allergies or medical conditions, so please ensure the details are up to date on the Arbor app.

Most of the activities will take place inside but, in case of rain, please ensure your child brings a coat with them.

Students should arrive at school for their normal starting time of 8.25am and should be back in school by approximately 4.30pm. The journey to Bolton School will involve a minibus ride of around 30 minutes. We will be taking photos during the trip so please ensure your photo consent is up to date on Arbor.

If you wish for your child to attend, please complete consent online which can be found under the trips section of the Arbor app before Friday 7<sup>th</sup> June 2024.

We really hope that you will consent for your child to attend this learning opportunity.

Yours sincerely,

*Mr S Routledge*
