6th November 2025

Dear Year 11 ,

I am delighted to see everyone back to school this week and I have been so impressed by the attitude and maturity demonstrated by all students. I have been particularly impressed by so many students utilising the study suite and so many positive conversations with either myself or subject teachers in relation to revision completed over half term. Just a reminder our Success Suite is open each day especially just for year 11 to revise and study, there is access to chromebooks, revision materials and refreshments.

I have really enjoyed meeting students and speaking to parents so far to discuss revision plans - I am trying to speak to as many students as possible but if you would prefer this to be sooner rather than later please let myself or Mrs Duffy know or send either one of us an email. A reminder that in the management suite in addition to the success suite we do have plenty of resources and revision materials that are free to students to support everyone in fulfilling potential, in addition to online learning platforms including SENECA, Sparx, Learn Anything and Pearson Revise.

As you are aware our mock exams begin today - I am really excited to see how many students are able to join us on rewards for Gain at Least a Grade; Rewards have been confirmed as trip to Royal Nawaab, Cinema and in school breakfast - I am sure everyone will be able to access these.

It is now 100 days to our first official GCSE exam which is so exciting - lots still to do and work towards but don't forget this is a Marathon not a sprint where we will build on our achievements over the course of the whole year one step at a time.

Really looking forward to seeing how many grades we improve in November since June - keep up the fabulous work.

Mrs McCann
