Exam Preparation Tips

To help your child succeed and to perform to the best of their ability in the Mid-Year and End of Year Exams, we recommend the following:

1. **Create a Study Schedule:** Encourage your child to plan their revision time in advance, focusing on subjects they find most challenging.
2. **Break Down Topics:** Suggest revising in small, manageable sections rather than cramming.
3. **Practice with Online Platforms:** These help students through different revision techniques.
4. **Healthy Habits:** Ensure they get enough sleep, eat well, and take short breaks during study sessions.
5. **Ask for Support:** If your child is struggling, remind them to speak to their teachers for guidance.

Further details regarding exam timetables and arrangements will be shared with students closer to the dates. If you have any questions, please do not hesitate to contact us. Thank you for your continued support.

Kind regards,

Mr S Roberts
