Dear Parent/Carer,

Re: Gain a Percentage Intervention – Success & Reward Trip

We are delighted to share some wonderful news with you and to take a moment to celebrate the fantastic progress our students have made with their attendance.

During the Gain a Percentage intervention in Half Term 5, your child has improved their attendance by **between 1% and 3%**. While this may sound like a small increase, it is a significant achievement. Each additional day in school makes a real difference to learning, confidence, friendships, and overall wellbeing. This improvement reflects growing commitment, resilience, and a positive attitude towards education. This success has only been possible through a strong partnership between home and school. Your encouragement, support, and efforts to ensure your child attends regularly are truly valued and greatly appreciated. We also want to recognise our students themselves—showing determination, taking responsibility, and making attendance a priority deserves genuine praise.

We are incredibly proud of this progress and hope it inspires our students to continue building on these improvements. Together, we can keep moving forward and supporting every child to achieve their very best. To recognise the effort and achievement, we plan to take them on a reward trip to the bowling alley at **the Light on Friday, 19th June 2026** to celebrate their success. This reward recognises the commitment, perseverance and positive attitude your child has shown. Their achievement is something to be proud of, and we are very pleased to be able to celebrate their hard work with this well-deserved experience.

The trip will take place during the school day, during Period 5, and we are pleased to confirm that **all costs will be fully covered by the school**, including bowling fees. Students will always be accompanied by staff, and we are confident they will represent the school positively while off site.

Consent via Arbor: To allow your child to attend, please confirm your consent via **Arbor** as soon as possible. Consent must be given by **1pm, 19th June 2026**. If consent is not received by this time, your child will remain in school. Students should attend school as normal on Friday, in full uniform. Further details, including timings, will be shared directly with students.

Thank you for your continued support in encouraging positive attendance and achievement. We look forward to celebrating this success with our students.

Yours sincerely,

Mr S Roberts
Head of Year 9
