30 September 2024

Dear Parent/Carer,

Careers Fair – Thursday 17th October 2024

We are delighted to inform you that we are holding a careers fair on the 17th October where we have invited in colleagues from colleges, local companies and educational providers (see below). The afternoon is for your child to speak to the providers and gain an insight into potential jobs, get information on what college/working life is like and ask any questions about careers or routes into a particular career. **We also believe it is valuable for parents/guardians to attend so they can also be part of this very important process and have any questions regarding life after school answered.**

- Colleges – Aquinas, Xaverian, Cheadle, Stockport
- Services – NHS, Army
- Apprenticeships – Elevated Knowledge, McCrory Construction
- Football careers – Growth Company
- Companies – LEX Autolease

It will take place during P6 (2.55-3.45) in our sports hall. We invite all students and their parents/guardians to the afternoon.

Our careers fairs have always been a great success at Stockport Academy and we look forward to having another engaging afternoon.

If you have any further questions or would like to know more, please do not hesitate to contact me on the school number.

Yours sincerely,

J Thandi
