14th April 2026

Dear Year 11,

As you enter the final weeks of your time at Stockport Academy, I want you to know just how proud we are of you as a year group.

Over the past year, your progress has been exceptional. Across attendance, behaviour, attitude to learning, and academic achievement, you have shown real and sustained growth. Since the end of Year 10, you have gained hundreds of grades between you. That success has not happened by chance, this is the result of your aspiration, resilience, and increasing maturity, shown every day in lessons and around the academy.

Your commitment has gone far beyond the school day. Over the Easter holidays, you completed an additional 500 hours of study between you, on top of the work we know many of you complete at home. Across the year as a whole, you have completed over 20,000 hours in Period 6 and 7 between you over the course of the year, which is truly exceptional and something every one of you should be proud of.

Most of you will continue to gain at least a grade as there are so many examples of students need such a small number of marks overall or on each paper where there are a number of papers per subject - this is so doable for every single one of you.

That effort is already paying off. Sixty of you have secured the grades needed to earn a free 2026 leavers' hoodie, a fantastic reward for consistency and determination.

Because of this, we are excited and confident as you move into the exam season. You are on track to become the highest-performing Year 11 cohort Stockport Academy has ever seen.

The upcoming exam season is exciting!! Time to show off! I have every confidence in you.

Janine McCann

Principal

Graded "Good" across all areas – OFSTED 2025
