Dear Parent/Carer,

Moving onwards from high school after Year 11 is a turbulent and especially crucial time in a child's educational journey, whether that being to college, apprenticeship or another destination.

For the process of Transition between our schools and local colleges and 6th Forms within Stockport, Stockport Local Authority in conjunction with school and college leaders have designed a process of sharing relevant information between schools and the colleges here in Stockport.

We can assure you that all data protection securities are in place and only relevant data that the colleges and 6th forms require is being shared, in order for students' information to be available to staff as to best prepare for enrolment day and beyond.

School privacy notices, which are available to read on the school website, will reflect this amendment to our practices from September 2026 onwards.

If you have any questions please contact Mr Farnworth via chris.farnworth@stockport-academy.org

Kind regards

Mrs J McCann
