Dear Parents/Carers,

Mobile Phones in School

I would like to remind you of our school's policy regarding mobile phones and connected devices.

Students must not use their mobile phones while in school or anywhere on the school premises. Mobile phones should be switched off at all times whilst on school grounds, including both inside and outside the buildings.

This policy also applies to smartwatches and headphones or earbuds that are connected to a mobile phone. These devices must not be used to access, communicate with, or operate a mobile phone during the school day.

If a student is seen using a mobile phone, smartwatch, or headphones/earbuds connected to a mobile phone, the device(s) will be confiscated and taken to reception. The device(s) can then only be collected by a parent or carer.

Students are regularly reminded of this policy, and we would appreciate your support by reinforcing it at home. This will help to avoid any disappointment or inconvenience for your child should their device be confiscated.

Thank you for your continued support in this matter.

Yours faithfully,

Mrs J McNulty
