24th April 2026

Dear Parent/Carer,

We are delighted to invite your child to take part in *A Day to Remember*, where all students will be out of school on a trip. This day has been designed as a meaningful experience for every pupil and member of staff, bringing our entire school community together beyond the classroom.

The year 8 trip is to Blackpool Zoo where they will have the opportunity to see a wide range of animals. This will also support student's science education.

This visit also plays an important role in supporting our commitment to personal development, character education, a sense of belonging, and ensuring opportunity for all. Experiences like this help pupils build confidence, strengthen relationships, broaden their understanding of the world, and feel part of something bigger than themselves.

Because of the value this day offers, all pupils and all staff will be taking part, and we strongly encourage every child to attend so they can share in this memorable and enriching experience with their peers.

Date of Trip: 6th July 2026

Departure Time: 8.25am – students must be in school for registration at 8.25am

We want all pupils to be able to take part in this trip; however, if a student's behaviour in the lead-up to the visit, or on the day itself, is deemed unsafe or inappropriate, the school reserves the right to remove them from the trip. It would be a shame for any pupil to miss out, but it is their responsibility to meet our behaviour expectations.

We hope your child will join us for this exciting whole-school experience. Should you have any questions, please contact the trip leader at: jesse.allan@stockport-academy.org
