

12th June 2026

Dear Parents and Carers,

Attendance expectations during the World Cup

With the FIFA World Cup taking place over the coming weeks, we know that many families will be looking forward to watching matches and supporting their national teams.

Some matches involving England and other nations are scheduled to kick off later in the evening or even the early hours of the morning. While we understand the excitement of these occasions and the importance of them for families, we would like to remind you that **school attendance expectations remain the same throughout the tournament.**

It is important that pupils continue to attend school every day, arriving on time and ready to learn. We kindly ask for your support in ensuring that children maintain appropriate routines during this period, including getting sufficient rest on school nights.

We hope that families enjoy the World Cup and the opportunities it provides to celebrate football and different cultures from around the world. Thank you for working with us to ensure that this does not impact on pupils' attendance or punctuality.

Kind regards,

Stockport Academy
